Step 10 Continued to take personal inventory and when we were wrong, promptly admitted it.

“This thought brings us to *Step Ten*, which suggests we continue to take personal inventory and continue to set right any new mistakes as we go along. We vigorously commenced this way of living as we cleaned up the past. We have entered the world of the Spirit. Our next function is to grow in understanding and effectiveness. This is not an overnight matter. It should continue for our lifetime. Continue to watch for selfishness, dishonesty, resentment, and fear. When these crop up, we ask God at once to remove them. We discuss them with someone immediately and make amends quickly if we have harmed anyone. Then we resolutely turn our thoughts to someone we can help. Love and tolerance of others is our code.

And we have ceased fighting anything or anybody—even alcohol (food). For by this time sanity will have returned. We will seldom be interested in liquor (food). If tempted, we recoil from it as from a hot flame. We react sanely and normally, and we will find that this has happened automatically. We will see that our new attitude toward liquor (food) has been given us without any thought or effort on our part. It just comes! That is the miracle of it. We are not fighting, neither are we avoiding temptation. We feel as though we had been placed in a position of neutrality—safe and protected. We have not even sworn off. Instead, the problem has been removed. It does not exist for us. We are neither cocky nor are we afraid. That is our experience. That is how we react so long as we keep in fit spiritual condition.”

-Alcoholics Anonymous “Big Book”, pages 84-85

PERSERVERENCE

“There are only two ways to live your life.
One is as though nothing is a miracle.
The other is as if everything is.”

-Albert Einstein

Don't quit before the
miracle happens.

Tradition 10 Overeaters Anonymous has no opinion on outside issues; hence the OA name ought never be drawn into public controversy.

NEUTRALITY

Concept 10 Service responsibility is balanced by carefully defined service authority; therefore, duplication of efforts is avoided.

CLARITY

COMMENTS FROM JULY SOAR8 ASSEMBLY

Congrats on an amazing convention filled with recovery and love ... Standing room only ... very comfortable digs ... dedicated volunteers taking care of every attendee ... It wasn't a business-like atmosphere ... It was a special happening for those living in abstinence, and those still struggling to get there ... None of us can do this alone ... I am humbled to have found this program and a new way of life ...

Ed D.
Gulfport

Christina thanked everyone for SOAR 8 convention and made a heartfelt amends. She was amazed by how everyone pulled together and she wants to be a part of this.

What Step 10 Means To Me ...

Continue, continue, continue, that is what Step 10 means to me. The Big Book states that in many ways on page 84. I am reminded in so many ways what this disease is all about. When I see a newcomer come in and feel their pain, I know how it is. When I have a sponsee relapse, I know how they are feeling. I see what I had been, I see what I still am, I see what I could still be. I am so very grateful that I have learned I have to continue to work on myself, to always look at my part in whatever the situation may be. I have to continue to live life on life's terms, continue to live the many principles I have learned from the steps, traditions and the concepts, one day at a time. Thank God and all the OA fellowship who continue to keep coming back and share their experience, strength, hope and give back what has so freely been given to them.

In loving OA service,
KS, FL

OLD BUSINESS

SOAR8 Final reports due today: Thank you all for doing such a fabulous job!

1. There is OA literature left over from July SOAR 8
2. Motion the SOAR 8 July 2016 CDs would be a lending library
 - Pros Great idea for people who cannot afford, multiple people benefit, only talking about one item
 - Cons- Hard to take care of we don't even have a tech web committee chair, difficult even if someone volunteers to keep track and we cannot assume only one person will benefit, cannot have a lending library and have only one thing.
 - Point of order we did not agree the tech web committee is responsible. Not all members want that responsibility.
 - More discussion. Suggested we could have more items in library, do we want more conventions, suggested to be played at public events
 - Motion made to table this. Motion to table passed.
3. Felice offered to be the Tech Web Committee Chair.
4. Any other old business?

 - Pros- We have more than 5000 coming in, the second WSBC delegate volunteered to pay her own way, last treasurer states we are within our budget. We are giving 30% on all income to PTI to WSO and this is in line with the 7th tradition. The 5th tradition states we carry the message by supporting OA as a whole. OA WSO does a lot for all groups.

OA Responsibility Pledge

Always to extend the hand and heart of OA to all who share my compulsion; for this I am responsible.

A theorist without practice is a tree without fruit; and a devotee without learning is a house without an entrance. -Sa’Di

If I talk a spiritual program and practice that program to the best of my ability, people ask me to share my experience. They want what I have because what I have is obvious even to the newcomer. If, on the other hand, I make suggestions I do not follow, my words are hollow sounds without conviction.

It is a waste to pretend to be something I am not, because I am missing out on the rewards of this program. To start walking the way I talk, I need only the willingness to ask for help.

For Today: It has been said that no one is too “dumb” to work the twelve-step program, but there are some who are too smart. I pray to God to keep me from being too smart.
